

Kill your Neighbours!

Songtexte zu "Hut ab!!!" – 2004

Bloodsucker's rock

1. You should not give a fuck what the other people say
You should not give a fuck if they tell you "go away"
Would you give a fuck if they tell you you'll die
Yes you should not matter, you should not cry
And you should live a life like mine
2. Be just yourself in every game you play
Always know the price your life's worth to pay
Do you believe in everything, in every lie
Why do you still matter and why do you cry
You should live your life like mine

Ref. Now bite my neck and let me drift away
Let me die young, I don't want to wait
Won't bite you back, that I swear
Suck my blood out, please don't care
And you should drink my blood like wine

3. Listen to your heart whatever it may say
Listen to your heart or run away
Now won't you run, they might find you
They'll hunt you down, or they'll even kill you
So drink my fucking blood like wine

Ref. Now bite my neck and let me drift away
Let me die young, I don't want to wait
Won't bite you back, that I swear
Suck my blood out, please don't care
And you should drink my blood like wine

English Walking

1. I took a walk in the park on this rainy evening
she stood in the dark and she was smiling
she looked at me with her big brown eyes
what did she feel, what did I feel?

2. So I walked up to her and still she smiles
and she was very cool, looking kinda shy
She took my by the hand and also by surprise
She gave me a kiss – uh- that tasted so nice

3. the rain began to fall, we hid under a tree
then we kissed a little more and she asked me
if I wanted to bring her home to her flat
For a coffee or more – yes I like that

And I said Baby, pretty baby
pretty baby, pretty baby

4. she gave me a drink, jacky D on the rocks
It was late at night, almost 3 o clock
Then she headed for me, she slipped down my jeans
I took of my shirt, she was on her knees
And then She took him out – rubbed him with her hands
and then she put him in her mouth – uuuuuh

5. She lay down on the floor,
she raised her ass into the air
and then she begged for more
Stick it in, stick it out...

And she jelled baby, pretty baby
fuck me baby, pretty baby

6. And when we finished several times
and after a cup of coffee
I dressed what's mine, and left for another
walk in the park,
for my English walking
and I never did see her again
and we never met again

Me and my baby...
